Available now: All new hand guided units in the BOMAG Compact Equipment range are supplied with the 3-2-1 warranty concept* from your BOMAG specialist dealer:

BOMAG Compact Equipment – Best for Compaction.

*Note: The 3-2-1 warranty upgrade only applies to orders for new equipment/machines from the date of machine transfer, and at the latest from 6 months after the BOMAG delivery date. Otherwise the same terms and conditions apply as for the BOMAG standard warranty. Service parts, wear parts and service fluids as well as damage caused by excessive stress or improper usage are not covered under this warranty.
